Called to order:

No Quorum – Susan suggested pressing ahead with public comments

Richard McNaughton of Hollywood Grove HPOZ wants HUNC to find out what rules are present to regulate tree cutting. He pointed out a cutting at 1911 North Van Ness that seemed to be quite extreme and requested a letter from HUNC in regards to the situation.

Still no Quorum

Jerry Hanns of Friends of Griffith Park announced that Fern Dell has received \$9,000 towards their preservation effort.

He also mentioned that the ranger house on Fern Dell Drive has been vacated. Jerry said a ranger needs to be located at the house and that a search for one is in the offing. Apparently the DWP owns a large hunk of land around and about Griffith Park.

Several people weighed in on the street problem to the Hollywood sign. Don Paul volunteered to write to Google to see if they can include warning on their GPS maps site.

Still no quorum.

The meeting was adjourned.
