Re:     Approval of mural content, 1919 Argyle 90028

The Hollywood United Neighborhood Council motioned to support approval as required by Department of Cultural Affairs (DCA) of current mural at Castle Argyle 1919 Franklin Avenue, 90068 submitted by Relativity Architects (architects of project of address).

Applicant submitted content

Applicant was asked to consider a potential modification in the main female figure to reflect possible half-face change of a mature visage but was not required for approval. Applicant also received permission from appropriate parties to utilize the Chinese Theater in the artwork. Applicant will submit that documentation with application. Applicant also advised that the nature of tile mosaic would have an effect that cannot be exactly captured in rendering.
