

South Griffith Park Master Plan

Connected Paths. Shared Spaces. Created Together.

Community “Listening” Virtual Workshop

Help Shape the Future of South Griffith Park

The South Griffith Park Master Plan is an initiative to reimagine the southernmost corner of Griffith Park, one of Los Angeles’ largest and most beloved public open spaces, to better serve the community for generations to come.

At the Listening Session, you will:

- Learn about the Master Plan process, goals, and schedule
- Share your ideas to improve park access and recreational opportunities
- Help identify community needs and priorities

All ages and backgrounds are welcome.

Spanish interpretation will be provided. Additional language accommodations are available with 72-hour notice.
