SECTION II - PROJECT DESCRIPTION

3) Please describe the purpose and intent of the grant.

This is a city-wide event which will benefit the constituents of each and every Neighborhood Council. We are planning this with endorsements of the Mayor, LA City Fire Dept and EMD for a city-wide event The grant we are seeking will be used for costs associated with the 4th Annual Greater Los Angeles Safety and Preparedness Fair which will take place on November 13, 2022 at The Green Lot in Exposition Park. The purpose of the fair is to make it as easy as possible for community members of all ages to tap into educational resources and learn about personal and home safety, and about disaster preparedness for incidents such as earthquakes, wildfires, pandemics – singularly or at the same time. The fair will include keynote speakers, plus other presentations and hands-on training sessions (including "stop the bleed", CPR, proper use of a fire extinguisher, and pet first aid), as well as presentations and activities specifically for children. Our goal is to encourage community members to prepare for, learn how to survive, and to thrive after a major disaster, even when emergency services are overwhelmed and potentially unable to respond to individual emergencies for days and even weeks afterward. We hope to attract 8,000-12,000 attendees from all parts of Los Angeles.

4) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The 4th Annual Greater Los Angeles Safety and Preparedness Fair is in part an outgrowth of the Mayor's Resilient LA Plan but is mostly out of a desire of the organizing team to encourage our fellow Angelenos to prepare in advance for an unpredictable but inevitable major earthquake and the very real possibility of such a disaster occurring while our medical and emergency services are overwhelmed by the needs caused by the coronavirus. We hope that not only will individuals learn to care for themselves and their families, but also learn to come together with neighbors when the need to help each other and to collaborate is at its greatest. The funds will be used to pay for the infrastructure costs of putting on a fair (stages, tents, tables, chairs, sanitation package). Funds will also be used for graphic design and the cost of printing a first-aid guide, a "help/ok" sign and certain other educational materials which will be distributed to attendees. Attendees will take home a go bag with essential supplies needed to help them get started in their own home preparation. With Neighborhood Purpose Grants and other sponsorships, we will be able to present all of this to attendees free of charge.
